

Canara HSBC OBC Life rolls out iSelect Term Plan

CANARA HSBC Oriental Bank of Commerce Life Insurance Company has launched iSelect Term Plan, an online plan which provides enhanced protection cover for the family at an affordable premium. With this plan, one can design their own financial safety net so that they can protect their family's future. The benefit can be paid out as a lump sum (for immediate financial security) or as monthly income for 10 years, or up to the end of the planned cover term to aid a child's education or protect a loved one's future. The plan also offers optional in-built covers against accidental events and the option to secure the life of the insured's spouse as well.
